Community Service is one of the most important committees in the Whitstable Rotary Club and aims to demonstrate the motto of Rotarians world-wide: 'Service Above Self'.

Members give practical assistance and raise funds to support projects and activities that improve life in the local community, whether they are a 'one off' or an on-going cause.

The Community Service Committee within the Whitstable Rotary Club is, as the title suggests, responsible for organising and supporting events that raise funds benefit the local community. Such events include:

Taking children from local families to the pantomime with the Lindley Players

Local supermarkets Sainsburys and Tesco, kindly allow us to collect at Christmas and Easter.

Members auction their services to raise funds (not much in Mr Snips case!)
