

The fourth 'object of Rotary' is:

"The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service."

The Rotary Club of Whitstable seeks to partly fulfil this ideal through regular contact and visits with our contact clubs in France and Germany, as well as those in the UK. Each year we will visit each other, usually with partners, for a long weekend, which will include social meetings and cultural visits.
