Environment

All Rotary clubs aim to serve their community and those in need through club service projects, members learn more about local and international issues, and can volunteer their time and talents where they are most needed.

Recent projects that Whitstable Rotary has supported include the Joy Lane swimming pool renovation, Westbere Sailing Opportunities, 5th Whitstable Scout Group, Kiswa education centre in Uganda, Tools With a Mission and Hounds for Heroes.

Our Club meets for an evening meal every Tuesday at 6.15pm for 6.30pm at the Crescent Turner Hotel. This gives members the opportunity to build friendships, enrich their professional and personal knowledge, and meet other business leaders in their community.

Members are welcome to attend meetings at any Rotary club -- a practice that guarantees Rotarians a warm welcome in communities around the world. What Rotarians get out of Rotary depends largely on what they put into it. There are also different types of clubs, i.e. eclubs, satellite clubs available that are more flexible that give other opportunities to the "traditional" club
